

We will shortly be making repairs to the existing concrete road surface along the A12 between junction 15 Webb Farm Interchange and junction 19 Boreham Interchange. Once completed they will provide a smoother and safer road surface.

Work will start on Monday 19 July 2021 and is expected to complete in December 2021, subject to weather conditions. This will involve overnight road closures on weekday nights, with a signed diversion route in place. Initially we will be closing the southbound carriageway, with work moving to the northbound in November.

Please follow the official diversions.

We will advise you of any changes to our programme. Due to the nature of the work, some noise and light disturbance is unavoidable. However, we will try to keep this to a minimum.

Contact Us:

For more information, please call the Highways England Customer Contact Centre on 0300 123 5000, or email info@highwaysengland.co.uk. Regular updates will be made on the A12 project webpage at www.highwaysengland.co.uk/A12concrete. Or follow us on Twitter @HighwaysEAST
