Some of last month's focus.....

Essex Police - Chelmsford and Maldon

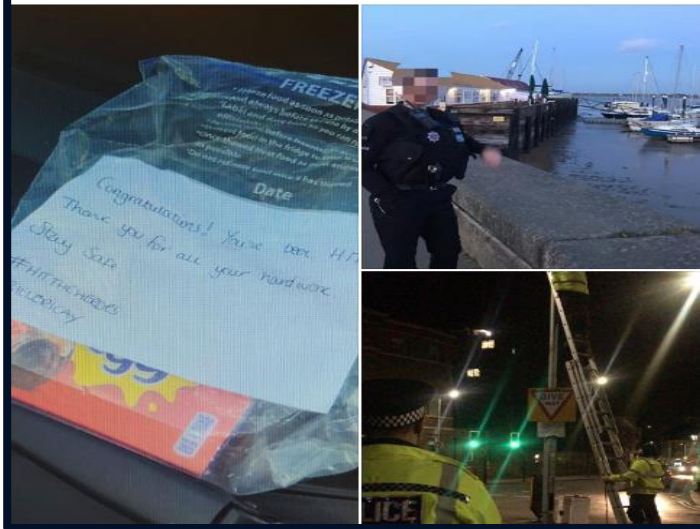

Our stolen vehicle recovery experts have done it again! Another stolen vehicle recovered by PC Grant and PC Evans! 🚗🚒

We've also been raising awareness of grooming and exploitation by speaking to year 6 pupils from various Chelmsford schools #crucialcrew

Been a busy day for the team today! One arrested on a recall to prison. Patrols around Heybridge and the 'Basin'. Searching Maldon for a missing person (who was found). We then helped a partner agency with the repair of a vital CCTV camera in the City Centre. We also got left some cream eggs! Thanks!

Another two charged and remanded today for a high value shoplifting 🙌👮

You said 🗣️ We listened 🙏

Officers attended Burnham County Primary School to talk to bad parkers following complaints at end of school time. This then turned into a show and tell session with the children asking lots of questions about policing.

That evening we also attended Maldon Scouts where they got to learn all about policing and lots of fun was had!

We are always keen to build a positive connection with children to build that trust that they can approach us if they ever need help!

So today we managed to detain lots of naughty people for running away from the Police....turns out they did nothing wrong. Lesson 1 - Don't run away if you have done nothing wrong! We also seized a stolen motor vehicle and arrested and charged a disqualified driver!! Bon voyage! 🇫🇷
