

Special Conditions of the Main Hall Hire during COVID-19

Note: These conditions are supplemental to, not a replacement for, the hall's ordinary conditions of hire

SC1:

You, the hirer, will be responsible for ensuring those attending your activity or event comply with the COVID-19 Secure Guidelines while entering and occupying the hall, as shown on the attached/enclosed poster which is also displayed at the hall entrance, in particular using the hand sanitiser supplied when entering the hall and after using tissues.

SC2:

You undertake to comply with the actions identified in the hall's risk assessment, of which you have been provided with a copy.

SC3:

You will be responsible for cleaning door handles, light switches, window catches, equipment and all surfaces likely to be used during your period of hire **before** other members of your group or organisation arrive and to keep the premises clean through regular cleaning of surfaces during your hire, paying particular attention to wash hand basins and kitchen sinks (if used), using either the products supplied (which will be in a clearly accessible location) or your own ordinary domestic products. You will be required to clean again on leaving. The toilets are cleaned once a day by our cleaner but are used throughout the day by our staff. **Please take care cleaning electrical equipment. Use cloths - do not spray!**

SC4:

You will make sure that everyone likely to attend your activity or event understands that they **MUST NOT DO SO** if they or anyone in their household has had COVID-19 symptoms in the last 7 days, and that if they develop symptoms within 7 days of visiting the premises they **MUST** use the Test, Track and Trace system to alert others with whom they have been in contact.

SC5:

You will keep the premises well ventilated throughout your hire, with windows and doors open as far as convenient. You will be responsible for ensuring they are all securely closed and wiped down on leaving.

SC6:

You will ensure that no more than 24 people attend your activity/event, in order that social distancing can be maintained. You will ensure that everyone attending maintains 2m social distancing while waiting to enter the premises, observes the one-way system within the premises, and as far as possible observes social distancing of 1m plus mitigation measures when using more confined areas (e.g. moving and stowing equipment, accessing toilets) which should be kept as brief as possible. You will make sure that no more than one person uses toilets at one time. All children must be supervised and hand cleaning guidelines must be adhered to.

SC7:

You will take particular care to ensure that social distancing is maintained for any persons aged 70 or over or likely to be clinically more vulnerable to COVID-19, including for example keeping a 2m distance around them when going in and out of rooms and ensuring they can access the toilets, kitchen or other confined areas without others being present. For some people, passing another person in a confined space is less risky, but for older people that should be avoided.

SC8:

You will position furniture or the arrangement of the room as far as possible to facilitate social distancing of 2m between individual people or groups of up to two households or 1m with mitigation measures such as: seating side by side, with at least one empty chair between each person or household group, rather than face to face, and good ventilation. If tables are being used, you will place them so as to maintain a distance of at least 2 metres across the table between people who are face to face e.g. using a wide U-shape.

SC9:

You are required to keep a record of the name and contact telephone number or email of all those who attend your event for a period of 3 weeks after the event and provide the record to NHS Track and trace if required.

SC10:

You will be responsible for the disposal of all rubbish created during your hire, including tissues and cleaning cloths, in the rubbish bin provided next to the hall entrance door.

SC11:

The kitchen remains closed to hirers and therefore your attendees will have to bring their own drinks and food.

SC12:

We will have the right to close the hall if there are safety concerns relating to COVID-19, for example, if someone who has attended the hall develops symptoms and thorough cleansing is required or if it is reported that the Special Hiring Conditions above are not being complied with, whether by you or by other hirers, or in the event that public buildings are asked or required to close again. If this is necessary, we will do our best to inform you promptly and you will not be charged for this hire.

SC13:

In the event of someone becoming unwell with suspected Covid-19 symptoms while at the hall you should remove them to the designated safe area which is the changing room behind the stage. Provide tissues and a bin or plastic bag, and a bowl of warm soapy water for handwashing. Ask others in your group to provide contact details if you do not have them and then leave the premises, observing the usual hand sanitising and social distancing precautions, and advise them to launder their clothes when they arrive home. Inform the hall caretaker on 07539 302121.

SC14:

Live performances e.g. drama, music are not permitted at present. This is in order to avoid risk of aerosol or droplet transmission. For the same reason you must take steps to avoid people needing to unduly raise their voices to each other, e.g. refrain from playing music or broadcasts at a volume which makes normal conversation difficult.

SC15:

Where a group uses their own equipment; you will ask those attending who bring their own equipment not to share it with other members and ensure that any equipment you provide is cleaned prior to use and being brought into the hall.

SC16:

A face mask or face covering is mandatory for anyone attending an event in the Parish Hall, including the hirer/event leader and entry will be refused if not complied with. Exceptions are those attending an exercise class or dance class, children under 11 years of age and those who are unable to do so, due to some physical or mental condition. For those partaking in events which involve physical exercise, masks are not compulsory during exercise but must be worn at all other times.
